	SUBJECT : Government Furnished Equipment Issued Against Project	25X1
25X1A	Herewith is is (a) a memorandum from and attached summary of GFE shipped to test base and (b) list of GFE received at the site through 15 July. Would you start to work on a comparison and reconciliation of these documents. Would you also at your convenience draft a memorandum from me to in reply to his. It seems to me that the requests contained in his memorandum are entirely reasonable and that we should indicate our concurrence.	25X1 <i>F</i>
